

"OLD MEN OF MIDI" PROPHET-6 SOUND SET

Contributors to the Old Men of MIDI sound set: Amin Bhatia, Malcolm Doak, Steve Horelick, Jack Hotop, Jerry Kovarsky, John "Skippy" Lehmkuhl, Christian Martirano, Dominic Milano, Drew Neumann, Jordan Rudess, Peter "Ski" Schwartz, and Mark Vail. The initials of each contributor appear next to the sounds they created.

Be aware that loading this sound set overwrites any user programs currently in memory at these sound locations. If you have programs you want to keep, save them to a SysEx file first. Refer to your manual for more information about initiating a SysEx dump from the Prophet-6's front panel controls. Instructions for loading sounds can be found [here](#).
